

Manage and More Scholarship - Are you ready for more?

Dear Students,

you aspire to create a better tomorrow? Apply until the **5th of December 2021** for Manage and More, the entrepreneurial scholarship of UnternehmerTUM – Europe's leading center for innovation and entrepreneurship. Every semester 20 outstanding students from all fields of studies are selected to be trained as future intra- and entrepreneurs. During the 18 months of the program, you learn to develop business ideas, shape impactful innovation and more:

- work on innovation projects for leading corporates
- lay the foundation for your future startup with a founding project
- develop your personality with the support of trained coaches and mentors
- gain experience abroad at one of our renowned partner universities - Stanford University (USA), Tongji University (China) or MIT (USA)
- become part of an interdisciplinary community of like-minded students, entrepreneurs, and professionals

Success stories of Manage and More Alumni are amongst others: StudySmarter, Bits&Pretzels, Motius, Proglove, Komoot, Passbase, Konux, and many more...

You are interested? Get to know us at one of our info events:
