Possibility of attending courses from other departments
You have to choose minimum 50% of the courses from the Department of Electrical and Computer Engineering.
The courses of our department have priority.

German language courses
TUM Language Center offers German as a foreign language courses at all levels for free during the semester, as well as fee-based intensive courses during the semester break.
https://www.sprachenzentrum.tum.de/en/sprachenzentrum/homepage/

Social programs at TUM and the department
International Campus Life – orientation week at the beginning of each semester and further program during the semester; https://www.international.tum.de/global/campuslife/
Each incoming student can get a student mentor of our MIX-Team (Mentoring for International Exchange Students) to facilitate the start in Munich: https://www.ei.tum.de/en/degree/exchange-students/outgoing-exchange-students/mix/

Accommodation Support
The International Center will try the best to support incoming students to find accommodation. Unfortunately, we cannot guarantee accommodation. Please begin to search accommodation in Munich asap after admission: https://www.international.tum.de/en/coming-to-tum/exchangestudents/accommodation/
